

ADAIR

B8612-PBR

Strips of Patina Brass are intricately woven around a metal framework creating a delicate cage-like silhouette and giving this sconce its lux look. Light flows through and reflects off the metal strips and backplate for a brilliant sparkling effect. The one-light sconce works well in smaller spaces and the two-light version provides both uplight and downlight.

FINISHES

PATINA BRASS (PBR)
