HUDSON VALLEY LIGHTING

The twisted artisan glass and jewelry-inspired fittings of the Bleecker family channel the spirit of vintage elegance. When lit, the light bronze hue and internal optics of the glass come alive with a sense of movement. Aged Brass cuffs articulate each form, cinching the design to create a silhouette that is simultaneously slender and voluminous. Available as a torchiere-style floor lamp and pendants in two sizes, this family introduces retro glamour to kitchens, dining spaces, and living areas.
